## Program Decision Document

---

### Decision Title

<b>Program:</b>	Program Name
<b>Project:</b>	Project Name
<b>Document Number:</b>	PDD-XXXX-XXX
<b>Version:</b>	1.0
<b>Effective Date:</b>	2026-01-21

*This document records a formal program decision and the associated agreements between parties.*

## Document Control

### Revision History

Version	Date	Author	Description of Changes
1.0	MMMM DD, YYYY	Author Name	Initial release

### Approval Signatures

Role/Title	Name	Signature	Date
Program Manager			
Project Manager			
Technical Lead			
Systems Engineer			

*Note: This document may also be approved via cryptographic digital signature applied to the PDF. Digital signatures provide tamper-detection and are embedded in the PDF metadata. See `sign.sh` (macOS/Linux) or `sign.ps1` (Windows) for signing instructions.*

## 1. Purpose

This Decision Document establishes a formal record of the decision regarding Decision Title for the Program Name / Project Name. This document:

- Records the decision and its rationale
- Identifies the parties responsible for implementation
- Documents agreements between participating organizations
- Establishes roles, responsibilities, and commitments
- Provides traceability for future reference

## 2. Scope

### 2.1 Applicability

This decision applies to:

- List applicable organizations, projects, or elements
- Add items as needed

### 2.2 Period of Performance

This decision is effective from 2026-01-21 and remains in effect until:

- Superseded by a subsequent decision document
- Formally terminated by mutual agreement of the parties
- Completion of the program/project phase

## 3. Background

### 3.1 Context

Provide background information that led to the need for this decision. Include relevant history, constraints, and driving factors.

### 3.2 Problem Statement

Clearly state the problem or issue that required a decision.

### 3.3 Alternatives Considered

The following alternatives were evaluated:

1. **Alternative 1:** Description
  - Pros: List advantages
  - Cons: List disadvantages
2. **Alternative 2:** Description
  - Pros: List advantages
  - Cons: List disadvantages
3. **Alternative 3:** Description
  - Pros: List advantages
  - Cons: List disadvantages

## 4. Decision

### 4.1 Decision Statement

*State the decision clearly and unambiguously. This should be a definitive statement of what was decided.*

### 4.2 Rationale

Explain why this decision was made. Reference the evaluation criteria used and how the selected option best meets program needs.

### 4.3 Key Assumptions

The following assumptions underpin this decision:

1. Assumption 1
2. Assumption 2
3. Assumption 3

### 4.4 Constraints

This decision is subject to the following constraints:

1. Constraint 1
2. Constraint 2
3. Constraint 3

## 5. Roles and Responsibilities

### 5.1 Responsible Organizations

Organization	Point of Contact	Responsibilities
Organization 1	POC Name	List key responsibilities
Organization 2	POC Name	List key responsibilities
Organization 3	POC Name	List key responsibilities

### 5.2 Agreements

The parties to this decision agree to the following:

#### 5.2.1 Party 1 Name Agrees To:

1. Commitment 1
2. Commitment 2
3. Commitment 3

#### 5.2.2 Party 2 Name Agrees To:

1. Commitment 1
2. Commitment 2
3. Commitment 3

## 6. Implementation

### 6.1 Implementation Plan

#	Action Item	Responsible Party	Due Date	Status
1	Action description	Owner	Date	Status
2	Action description	Owner	Date	Status
3	Action description	Owner	Date	Status

### 6.2 Success Criteria

The following criteria will be used to determine successful implementation:

1. Criterion 1
2. Criterion 2
3. Criterion 3

6.3 Verification Method

Describe how implementation success will be verified.

7. Risk Assessment

7.1 Identified Risks

#	Risk Description	Likelihood	Impact	Mitigation Strategy
1	Risk description	L/M/H	L/M/H	Mitigation approach
2	Risk description	L/M/H	L/M/H	Mitigation approach
3	Risk description	L/M/H	L/M/H	Mitigation approach

8. Resources

8.1 Funding

Describe funding arrangements, if applicable.

8.2 Personnel

Describe personnel commitments, if applicable.

8.3 Facilities and Equipment

Describe facility or equipment commitments, if applicable.

9. Documentation and Reporting

9.1 Related Documents

- Document title and number
- Document title and number
- Document title and number

9.2 Reporting Requirements

Describe any reporting requirements associated with this decision.

10. Dispute Resolution

In the event of a disagreement regarding the interpretation or implementation of this decision, the following escalation path shall be followed:

1. Working-level discussion between affected parties
2. Escalation to Project Manager level

3. Escalation to Program Manager level
4. Additional levels as appropriate

## 11. Amendment Procedures

This decision document may be amended by:

1. Written request from any signatory party
2. Review and concurrence by all affected parties
3. Formal approval by the Decision Authority
4. Distribution of the revised document

### A. Supporting Data

Include any supporting data, analyses, or trade studies that informed the decision.

### B. Acronyms and Definitions

Term	Definition
Acronym/Term	Definition
Acronym/Term	Definition

### C. Reference Documents

1. Full citation for reference document
2. Full citation for reference document

### D. Template References
